### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Pursuant to MPEP 606.01, the title has been changed to read:

-DYNAMIC RDF SYSTEM FOR TRANSFERRING INITIAL DATA BETWEEN  
SOURCE AND DESTINATION VOLUME WHEREIN DATA MAYBE RESTORED TO  
EITHER VOLUME AT SAME TIME OTHER DATA IS WRITTEN-

The following is an examiner's statement of reasons for allowance, the prior of record:

HALSTEAD et al.

US 6,701,392 Patented 03/02/04

HALSTEAD teaches a system that allows dynamic modifications to RDF configuration that will not effect operation of the storage device when individual devices therein need to access the dynamic configuration information. Further, HALSTEAD and the present

application shares the same assignee and/or inventor(s). However, HALSTEAD does not teach dynamically creating a communication path between first and second storage devices, comprising: creating a connection to a source volume on the first storage device and indicating that the source volume is not ready to transmit data on the communication path; determining which of said source volume and a destination volume contains an initial set of data; after successfully creating the connection to the source volume, creating a connection to the destination volume on the second storage device and initially indicating that portions of one of: the destination volume and the source volume do not contain valid copies of data in accordance with which of said destination and said source volumes contains said initial set of data after successfully creating the connections to the source and destination volumes, indicating that the source volume is ready to transmit data on the communication path; and transferring the initial set of data from one of the source volume and the destination volume to the other one the source volume and the destination volume while transferring data written after the initial data from the source volume to the destination volume.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
